

## Offer Letter - 1M1B Green Internship

### 1M1B Green Skills Academy

Dear KOPPADA PRUDHVI VINAYAK ,

Congratulations! You have been selected as a **1M1B Green Intern** offered by **1M1B Green Skills Academy**, in partnership with **AICTE, National Internship Portal** and powered by **Salesforce and industry partner, SEMI**.

This **5-week virtual internship**, beginning on **15 May 2025**, offers you the opportunity to develop **AI skills**, apply **data analytics**, and contribute to solving real-world climate challenges using tech-enabled tools.

#### Internship Highlights:

- **AI & Data Tools:** Hands-on learning with platforms like **Tableau**, open-source environmental calculators, and visualization tools.
- **Climate Intelligence Projects:** Implement data-driven solutions on energy, water, and waste.
- **Digital Advocacy:** Participate in campaigns to promote sustainable practices using technology and storytelling.
- **Green Campus:** Contribute towards building Green campus and sustainable institutions.

#### Expectations:

- Dedicate approximately 60 hours over the course of the virtual internship.
- Participate in weekly assessments and submit the final impact project
- Use a laptop/desktop with basic computing capability.

Upon successful completion of the internship, you will gain technical exposure in AI using industry relevant data tools, receive an official certificate, and join India's largest tech-driven climate action network.

Please confirm your acceptance by uploading the signed declaration using the Google Form link provided in the offer email within 2 days of receiving this letter.

## Terms & Conditions

As a selected intern under the 1M1B Green Skills Academy, you are required to adhere to the following terms:

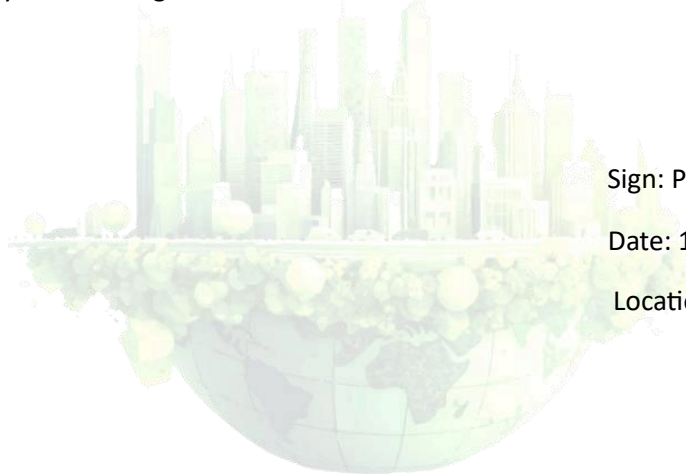

1. **Commitment & Engagement:** Interns must commit a minimum of **60 hours** over the 2-month virtual internship, with consistent participation throughout the program.
2. **Professional Conduct:** Interns are expected to maintain professionalism, integrity, and respect for all individuals associated with the program.
3. **Timely Deliverables:** Completion of all assigned tasks, interim submissions, and final deliverables—including the Sustainability Report and Net Zero Roadmap—is mandatory.
4. **Confidentiality:** Interns must not disclose any proprietary or sensitive data, reports, or tools received during the internship without prior written consent from the 1M1B Green Skills Academy.
5. **Ethical Compliance:** Interns are to uphold the highest ethical standards and adhere to all guidelines provided. Misconduct or failure to meet responsibilities may result in termination of the internship and ineligibility for certification.
6. **Certificate Criteria:** An Internship Completion Certificate will be awarded only upon successful fulfilment of all project requirements and submission of final documentation.
7. **Grounds for Termination:** The internship may be discontinued if an intern:
  - Fails to maintain communication with their assigned mentor or the organizing team.
  - Does not actively contribute or participates inadequately.
  - Completes fewer than **40 work hours** over the duration of the internship.
8. **Public Communications:** Any public mention, including social media posts, must reflect the academic and professional nature of the program. Interns must avoid sharing protected content and respect all intellectual property and privacy rights.
9. **Unpaid Nature:** This is an **unpaid internship**. No financial compensation will be provided.
10. **Faculty Approval:** The intern confirms having informed their institution and received approval from DR. A RADHA KRISHNA (name of faculty/staff/HOD), who will serve as the internal PoC for the duration of the internship.
